Dear Parents,

**What is the Domestic Class Exchange program?**

**Domestic Class Exchange Program:** With the set of varied cultures in India, it is important to be culturally competent and to be able to adapt and cope up with cultural differences. We have an exchange between two AFS Member Schools in a different state and spend time with a family or school hostel arranged by the School. This is a reciprocal program, where sending and hosting is done by both the Schools.

**Duration** - A week to 10 days  
**Age group** - 9th & 11th Class students  
**Group of students** - 7-10 students (number may vary)  
**Accompanying teacher** - 1

The program has been discussed with the students in November 2019.

We would like parents to get back to us by March 20\(^{th}\) 2020. If they are interested in their children’s enrollment in this intercultural exchange program. The exchange program will take place with prestigious AFS member schools only.

Thank you  
AFS Team  
All Saints’ College,  
Nainital

*The community work in All Saints College has started from December 2019.*
